Manifest the fourfold results of spontaneous presence:
Peerless holder of these teachings, may your emanation swiftly reappear!

Resplendent amidst the constellation of the glorious Three Supreme Ones,

Through the power of a hundred thousand positive deeds, tainted and untainted,

May we swiftly have the good fortune to encounter

The moon-like face of this incomparable guru's emanation!

As the auspicious interdependent condition for the swift return of an emanation of this incomparable lord of refuge and root guru, Dodrupchen Rinpoche, and in response to a request from the community at his seat of Dodrup Monastery in Sikkim, the one called Tudeng Nima, who holds the name of a disciple of this sole refuge and lord of the mandala and who was the lowest of his devoted subjects, made this prayer in Hong Kong on the twenty-sixth day of the eleventh month of the Iron Ox year (28 January 2022). May virtue abound!
